TO ALL BODIES OF ELDERS

Dear Brothers:

An extra supply of the insert titled "Establishing Your Children From Misuse of Blood" is being sent to your congregation. This insert appeared in the September 1992 Our Kingdom Ministry.

How is this item to be used? As with the insert "Are You Ready to Face a Faith-Challenging Medical Situation?" which appeared in the November 1990 Our Kingdom Ministry, the secretary should keep copies on hand so that they can be given to newly baptized individuals. This item can be made available right after baptism. (Also, if these newly baptized ones have any unbaptized children, you may wish to recommend them with the Identity Card many parents use for their children.) Take a moment or two to explain the use and value of these items to these new brothers and sisters.

To prepare baptismal candidates for this in the future, it is recommended that during the time when the elders review the questions from Organized to Accomplish Our Ministry prior to baptism that the subject of blood on pages 100 and 101 be considered carefully. At that time also both inserts can be mentioned and sent. When he is baptized, the brother will receive a copy of each.

TO ALL BODIES OF ELDERS

Dear Brothers:

Some of you have asked: If a brother is deleted as an elder, what should the Congregation Service Committee do with the Kingdom Ministry School textbook once it is handed over to them? (See ks91, p. 5.) The secretary should keep the book in the congregation's confidential files. It may be returned to the brother if he is re-appointed as an elder or given to a newly-appointed elder, provided it is in good condition and available at the time.

Your brothers,

Watchtower Bible and Tract Society of New York, Inc.

If writing regarding the above please return this slip.
