JUDGE JOSEPH F. RUTHERFORD

Who Will Lecture in

NATIONAL THEATRE

(Tremont St., Near Berkeley)

Sunday Afternoon, Dec. 19th, at 3 O'Clock

Fragile indeed are the assertions that today "all things are continuing as they were." Evidences are multiplying to controvert this claim. The great time-clock of prophecy has released its treasures from the vault. The possibilities of the human race are depicted before our mental vision with startling clearness. You should make it a point to hear this, one of the most remarkable Bible lectures of modern times.
