Dear Brothers:

The Society has at hand Brother P[redacted] letter of May 20 regarding A[redacted] and P[redacted] C[redacted] After reading over the information in Brother Plumhoff's letter it seems quite clear that appropriate action has been taken. We might add that it is always good for the entire committee to sign a letter of this sort, thus indicating that the action taken is agreed upon by the committee. We realize, of course, that Brother W[redacted] was a member of the committee and so he had to be replaced by someone else. It would be good for that other brother to sign the correspondence along with the other members of the committee and we are returning the letter for such signatures.

It is good that this matter has been settled. We believe it will have a wholesome effect on the progress of the congregation and it will settle in the minds of the brothers there the fact that Jehovah has an organization which is interested in moral cleanness and that he is going to have his organization clean in any event. This should promote a further flow of Jehovah's spirit in every respect and undoubtedly the congregation will prosper. Please be assured of our warm Christian love and when the letter is properly signed we will be happy to have it returned for our files.

With you well-pleasing in faithful works,

Watchtower B. & T. Society
