MORNING

10:00 Meeting for Field Service at Local Kingdom Halls

All congregations assigned to attend the district convention are encouraged to share fully in field service activity on Saturday. It is hoped that an extensive witness will be given in the City of Philadelphia and the surrounding area. All publishers who live in the Philadelphia area as well as those who are staying in hotels and motels for the convention period have already received information as to what Kingdom Hall they may attend for the meeting for field service. Publishers in congregations commuting to Philadelphia from a considerable distance are encouraged to attend the meeting for field service at their local Kingdom Hall.
