Dear Mrs. [redacted]

Thank you so much for bringing these ex Jehovah Witnesses websites to my attention. My staff is reviewing the websites that you sent us.

I truly do appreciate when my constituents take the time to send me information on issues that are important to them. The information that you provided me is not only informative, but it also gives me a much better understanding of where my constituents stand on issues being debated before Congress.

It is my honor to serve the 1st Congressional District of New Mexico, and again, thank you for contacting me. As I conduct my legislative business in Washington, D.C., I think about constituents like you every day. I hope to stay in touch with you on this issue, and please contact my office if I or my staff can assist you in any way.

Sincerely,

Michelle Lujan Grisham
