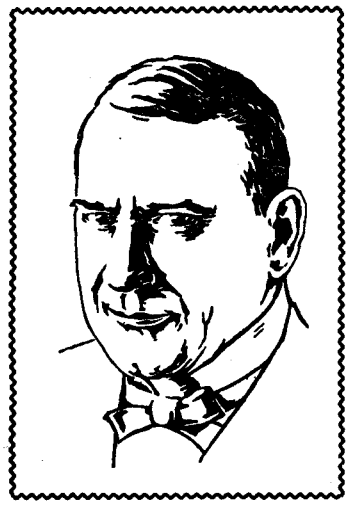
HEAR! JUDGE! THEN DECIDE!



ALL NATIONS are now in "the valley of decision". The peoples must now decide whether they will follow "blind leaders of the blind" and "fall into the ditch" of world catastrophe or follow the divine Word and the way of escape it points out.

It has been said by a man: "The proper study of man is man." World conditions today prove that such a study has failed. The great truth remains: The proper study of man is God! WHY?

May the people now get the true knowledge of the true God and his purpose concerning man? Is there a false god who has deceived the people and turned the whole world into a trap, and who is responsible for the present world woe and worse yet to come?

WHAT BENEFIT is there now to learn to know the true and most high God and to take your stand on his side and to serve him? No questions are of greater consequence for you to consider today than these.

JUDGE RUTHERFORD, of New York city, will discuss these vital questions over a nation-wide chain of radio stations. There is not another writer on earth today whose writings are so widely distributed and read—over 140,000,000 copies since 1921—nor another public speaker whose voice is heard weekly by eager multitudes over so great a number of radio stations. Long years of faithful study of and lecturing and writing on the Bible have fully qualified Judge Rutherford to answer the above questions. He will do so, *in person,* in a series of three speeches, on three consecutive Sundays, as follows:
